

### COMPANY OVERVIEW

AMB Excavating Co., founded in 2023, is built on a foundation of extensive experience in earthmoving and heavy equipment operations. Owned and operated by Abraham Escarcega, the company delivers high-quality excavation, demolition, and site preparation services with precision and efficiency. With a skilled team and a commitment to professional results, AMB Excavating Co. is ready to take on projects of all sizes, ensuring reliability and excellence in every job.

AMB Excavating Co. specializes in comprehensive earthmoving and site preparation services for construction, infrastructure, and land development projects. With expertise in land clearing, grading, excavation, hauling, and trenching, we ensure safe and efficient site readiness for any scale of development. Our team delivers precision excavation for foundations and utilities while providing reliable transportation of dirt, rock, and construction materials. Committed to quality and efficiency, AMB Excavating Co. supports government and commercial projects with professional, results-driven solutions.
